

***OM MANDALI
SHIV SHAKTI AVATAR SEVA
SANGSTHAN***

***QUESTION AND ANSWERS
FROM
PRAJAPITA BRAHMA BABA'S VANI
(ENGLISH VERSION)***

VOLUME 1

!!“OM SHANTI”!!

Q.1. WHO ARE CALLED ADVANCED PARTY?

A. The one who has the knowledge of the beginning, the middle and the end of the cycle is said to be in advance.
(22.6.20)

Q.2. IN MURLI, IT WAS MENTIONED THAT MAMMA HAD REACHED KARAMATEET STAGE; SHE WENT TO THE SUBTLE WORLD. SHE HAD SETTLED HER ACCOUNT IN THE GROSS WORLD. IS DEVKI'S ACCOUNT DIFFERENT FROM MAMA'S ACCOUNT?

A. Accounts are created when a soul takes birth in a physical body. Thus, accounts are connected to the birth. Yes mamma went to the subtle world when she left the gross body. No where it was mentioned that she went to the subtle world to stay there permanently, and she won't come back. I and SHIV Baba, both told that she has taken birth in a rich family. Why did you forget that? Yes, it was mentioned that mumma's account got settled. It was not mentioned that DEVKI'S account got settled. Ikt was also mentioned that mumma will do lot of service staying in incognito form. If she stayed in the subtle world, how can she be born in the gross world? It was also mentioned that mumma will not follow the divine knowledge in that life when she was born in a rich family. This was only for mumma, not for everyone. Following knowledge means what? Remembrance of the father and being in the company of the father. She had to finish her number of births. One cannot be born in a rich family every time. Now she is born in a poor family because God is "Garib Niwaz" (the one who has mercy for the poor). Hence He needs such a body to adopt.
(22.6.20)

Q.3. MAMMA HAD A GOOD POSITION, SHE HAD REACHED KARAMATEET STAGE. ALL HER BODILY SUFFERINGS WHERE OVER.

A. Yes, perfectly right. Mamma had achieved a good position. Good position cannot be associated only with gross world. It is to do with the subtle world. Mumma is in a good position in her spiritual efforts. At least some people are talking about her position. But for her, she is not concerned about her position. She is more concerned about her position in her personality traits. She is concerned about her position in obedience in front of the father. She has never thought "how is it possible?" She always feels, "my father has said, so it will happen ". Her only concern is, "even if I forget myself, I should not forget the father". This goes on in her subconscious mind, which cannot be deleted by anybody.

Q. 4. WILL SCIENCE CARRY OUT SOME KIND OF RESEARCH ON THIS ALSO?

A. NO. They won't have time for that. Science is also getting sacrificed in the yagya now. Science will be there only as long as the light energy is there, once the light energy is over, science also will be over.

Q. 5. After everything is over, where will we go?

A. I will tell you separately where you will all go, the place you will go to is already fixed. You will go, where the father will take you. ONLY ONE MESSAGE THE FATHER WANTS TO GIVE ALL THE CHILDREN: DON'T GET STUCK IN THE INSTRUMENTS OF SCIENCE. If you sit with the awareness of the body, you will feel hot. But if you sit in the awareness of being a soul, then you don't feel anything. What else does the father teach? Atma, Paramatma and nature. The whole knowledge lies in this only. Out of these three, two are changeable. Atma changes with time, nature is variable, but Paramatma never changes.

(11.5.20)

Q.6. HAVE YOU MADE GOD YOUR PARTNER?

Does anyone forget his partner, whether you are in business or family, can you ever forget your partner? If you are in business you must be having a partner. In every accounts- note-book, your partner's name can be found. In every little things, you can feel his connection. For a family man, can he forget his wife ever? There can be difference of opinions between them. Sometimes there may be fights between them too, still they cannot forget each other. Even if they are separated from each other, they cannot forget each other. Instead, when they are separated, they think about each other even more. Father wants to tell those children who find it difficult to remember: you remember those who cause you pain. But the father gives you so much love and happiness, you cannot remember Him? IT MEANS THAT YOU HAVE NOT MADE HIM YOUR PARTNER. The father wants your heart felt love, He wants large hearted children. In a small heart, many people have already occupied the space. When they are connected to so many people, how much space they can offer to God? God is an ocean, He needs a large space. There are so many photographs stuck in the Children's heart. Children outwardly repeat Baba Baba, but they have kept many people in their heart. When there is any problem, the father's picture comes to the fore front. When someone is in pain, the only one he remembers is God. But God wants you to remember Him all the time. MAKE HIM YOUR PARTNER, SO THAT YOU WILL NEVER FORGET HIM.

Q. 7. IN AN AUDIO, WE HEARD BABA TALKING ABOUT SWAYAMVAR OF LAKSHMI AND NARAYAN. MUMMA AND BABA KNEW THAT MUMMA WILL BE RADHA AND BABA IS GOING TO BE KRISHNA. WILL ALL SOULS KNOW IN ADVANCE ABOUT WHO IS GOING TO BE THE FUTURE LIFE-PARTNER?

A. Definitely, but according to the spiritual efforts they make. How does anyone know about the life partner? At present how do they pair? Whenever someone gets married to someone, it is not necessary that both have same personality traits. But still they try to make sure that the personality traits match each other's. In the Golden age, how is the rosary

made? Beads of same size and shape are placed next to each other. As the spiritual effort increases, one would come to know about his future life partner. It totally depends on one's spiritual efforts. But it will not be known in the beginning, because once anyone comes to know about the future life partner, he will start developing vicious thoughts in the mind. Hence, the souls come to know about the future life partner, only towards the end of the cycle. Moreover, the father does not give this power to everyone, only when the father is sure that the concerned soul will use this knowledge only for service, He gives that Power to that soul earlier. Otherwise the other souls come to know about their future life partners only in the end when no chance of getting vicious thoughts in mind.

(20.6.20)

Q. 8. BABA HOW TO CLEAN OUR MIND?

A. How do you clean your house? With the help of a broomstick and soap. Visualize that a fountain of water rises from the father which cleans me, the soul with the cleanser, and all the dirt in my soul gets eliminated. First of all know about the dirt that gets deposited in the soul. Hurting others is one kind of dirt. Ego is another kind, having vicious thoughts and vicious vision, developing attachment towards anything or anybody they are all different kinds of dirt. The most adamant dirt is to consider oneself to be the body. The day you consider yourself to be a soul, you can get rid of the most defiant dirt from you. When you say MY FATHER, you start remembering the qualities of the father. My father is a subtle point of light, hence I am also a subtle point of light. My father is an ocean of love, so I am also a master embodiment of love. Inculcate all His qualities like this. Suppose you are asked to copy a picture, don't you keep the original picture in front of you and draw all the characteristics of the original picture, in the copy? There, you are copying the features of the physical appearance. Whereas, here, we need to copy His qualities, characteristics of the soul. I am an embodiment of love, I give happiness to everyone etc, etc.

(20.6.20)

Q. 9. WILL THOSE SOULS WHO CAME TO THE YAGNA IN THE BEGINNING AND ARE INSTRUMENTAL FOR GIVING BIRTH TO THE DEITIES, KNOW THAT THEY HAVE BEEN CHOSEN TO GIVE BIRTH TO DEITIES? WILL THEY BE HUSBAND AND WIFE IN FAMILY LIFE?

A. Definitely not. We are not talking about all, all of them will not be husband and wife. The deities who will be born after Swayamvar, will be born to husband and wife. The deities who will come to this world with Krishna, will not be born to husband and wife. Majority of the deities will be born to husband and wife. Whenever there is a change, there will be opposition. Since lot of things are going to change now, everything will be opposed. (20.6.20)

Q.10. CHILDREN INHERIT THE QUALITIES AND PERSONALITY TRAITS OF THE PARENTS .WILL IT BE THE SAME FOR DEITIES ALSO OR WILL THEIR OWN SPIRITUAL EFFORTS WILL REFLECT IN THEIR PERSONALITY TRAITS?

A. Both. Souls have their own original qualities. They adopt some from the parents, some from the environment. According to the spiritual efforts the soul has made, it qualifies to be born in a deity's family. As they say, you need to connect many chains to make a garland, similarly one's spiritual efforts make him eligible to be born in a deity's family and the environment also will contribute to them. The spiritual efforts made, decide everything. (20.6.20)

Q.11. WHAT MESSAGE DOES BRAHMA BABA WANT TO GIVE?

A. The one who stays happy in all situations, will stay safe with the father. Though the children stay in remembrance of the father, their enthusiasm and love become zero, when they face challenges. Only God's love has the capacity to keep them cheerful in all situations. Children think that once they have come under the canopy of the father, they should not face any pain in life. It is wrong to think so. God's love gives us the strength to tolerate the pain. There is a huge difference between having faith in God and having faith in His directions. Many

children say that they have complete faith in the father. But they don't have faith in father's directions. Otherwise they would not be going to tantriks to do wrong deeds. This proves that though they say that "Baba can come only in Madhuban", they don't have conviction in what the father who comes in Madhuban says. When they fall ill or when they want to attain high position, they seek the help of tantriks. What does this mean? They have more faith in those babas who give pain to others, to benefit some. You can experience the father through devotion as well as knowledge, but He does not exist in the middle. Where there is no father, there lie the vices. (12.7.20)

Q.12. WHAT ARE WE SUPPOSED TO UNDERSTAND AND DO FOR THE UPCOMING DAYS? WHAT SHOULD BE OUR FOOD HABITS?

A. Fresh fruits are the best. Initially, when girls used to go to the father, to get divine message, the father always made them drink "SUBIRAS". In the Golden age, fruits of all kinds were prevalent. Only after the beginning of copper age, cooked food became important part of people's life. Still people were physically active, so they were able to digest the food. Now, people have started living sedentary life. It is not that the place you live in, will not be affected due to destruction. When the water becomes dirty, you will not be specially provided pure water. Test for the children will be, how far you stay unaffected in such difficult conditions. Suppose you too suffer due to lack of water in the same way as others, what is the difference between you both? Whether you get water or don't get water to drink, your state of mind should not get disturbed; it should be stable. If you stay in silence and go to the father, He will make you drink "SUBIRAS". Looking at your stage of equanimity, people would come to you and ask you to bless them. THIS IS GOING TO BE THE TEST FOR BRAHMAN CHILDREN. (2.7.20)

Q.13. I FEEL 95% OF THE CHILDREN Will FAIL IN THIS TEST.

A. Not 95%, but 99% of the Brahmin children would fail. Most of the Brahmin children are stuck in attachment for food. The whole day is spent in wondering what new preparations they will make. Even when they sit to meditate, their mind is filled with the thoughts about food.

Making and eating varieties of food, is not wrong. But allowing it to control your mind is wrong. You should resolve to prepare your body so strong, that it would survive even without food or water. This is going to be the toughest test. Anyone filing a case against you or talking ill of you cannot be considered as a test. SELF-CONTROL UNDER DIFFICULT CIRCUMSTANCES IS THE BIGGEST TEST. (2.7.20)

Q.14. WHAT ALL CHANGES SHOULD WE IMPLEMENT IN OUR WAY OF LIFE?

A . Check yourself where your mind is attached. Ask yourself," Suppose Baba tells me suddenly, to leave something totally, will I be able to leave?" Check your personality traits. The father likes those children who easily adjust with others, having different personality traits. TO BECOME A BEAD OF A ROSARY, IT IS NECESSARY TO BECOME REAL GOLD. REAL GOLD GETS MOLDED EASILY. Wherever you find any difficulty, write a letter to the father, seeking His help. TO BECOME PERFECT SHOULD BE YOUR ULTIMATE GOAL. (2.7.20)

Q. 15. HOW TO DEVELOP CONCENTRATION POWER? JUST BY PRACTICING OM, CAN WE INCREASE THE CONCENTRATION POWER?

A. Definitely, by chanting Om, your concentration power will increase and your mind will get stronger, because all the powers from God start coming to you. Just repeating Om is not enough, you need to add a powerful thought in between. Once you chant Om, your voice reaches God and He comes down to you. Now, create a thought, "I am receiving energy from God." THEN FEEL THE ENERGY. Again chant Om, then create a thought:" with the energy I received from God I am able to adopt his qualities". Again chant Om, and create a thought: "with the help of this energy, I can help others also to change themselves and adopt divine qualities." WHEN YOU CREATE A THOUGHT OF SELF RESPECT BETWEEN OM, IT BECOMES DOUBLE POWERFUL. (18.7.20)

Q.16. WHEN WILL YOU OPEN THE DOORS OF YOUR MIND TO GOD?

A. God knocks at the door of your mind every second and waits for you to open. He does not count on the number of years you spent in gaining knowledge. He only sees how much you have earned and saved, how many people you have benefited, how many disturbed minds you have comforted, how much treasure you have distributed. God comes with loads of happiness, bliss, love, peace, knowledge, qualities and powers. It is up to you how capable and willing you are to receive from Him. The moment you call him with love, "my father, my companion, I need your help", He is present at your door step. Unfortunately, the children are so lazy, they tell the father to wait. But by the time, Maya (illusion) comes at their doorstep, and they readily open the door for her.

(1.8.20)

Q. 17. NATURE FUNCTIONS THROUGH VIBRATIONS. WHEN SO MANY SOULS ARE SENDING GOOD VIBRATIONS TO THE NATURE, WHY DOES IT TAKE SUCH A LONG TIME TO SEE THE RESULT OF IT?

A. It takes time to see the result. When a child is small, he makes mistakes, the mother teaches him; he falls, the mother picks him up, she tries to make him understand the right things when he grows up. It is not that all children do this. The mother has some good and sensible children too. But when a child is sad, he becomes destructive. Mother tolerates everything patiently, just for the sake of the other good children, because these children are instrumental for making everyone in the world to recognize ~~the father~~. All kinds of vibration are reaching the nature. Nowadays, majority of vibration is of pain. Most of the people cannot identify the real form of God. They consider deities to be God and plead with them; some are united with somebody in devotion; some are united with someone due to power. But not many know the actual creator of the creation. As long as the nature does not make the creator evident to the whole world, the creation will not change for the better. The old painful world will be destroyed when everyone in the world recognizes the father. Both the incidents will happen simultaneously.

Then everyone in this world will say, "My father has come". After that, Shri Krishna will be born. It is a cycle, very soon it will happen. (15.12.20)

Q. 18. BABA, SOME TIME AGO, SHIV BABA SAID THAT NATURE IS THE MOTHER AND PARMATMA IS THE FATHER OF THE CREATION. IF THE MOTHER IS DISREGARDED, THE FATHER BECOMES A WITNESS AND DOES NOT INTERFERE. IN THAT CASE, PUNISHMENT WILL BE VERY SEVERE. AT THIS, BABA SAID THAT "THE MATTER IS VERY DEEP. ASK BRAHMA BABA FOR EXPLANATION".

A. Nature (five elements) has been disregarded every day. What is nature? Our body is made up of (five elements) nature; the soul resides in it. One form of nature (human beings) is destroying the other form of nature. Nature has been tortured by humans. When a child cannot feel the pain of the mother, how can he feel the father's pain? Nature has been treated as a maid. A mother serves her child as a maid only. When the child cries, she feeds him milk, cleans him up, and runs after the child like a maid. Because she has been named "a servant", people actually started treating her as a servant. In the golden age the nature will be like a mother. NOW SHE IS VERY ANGRY BECAUSE SHE HAS BEEN TORTURED TOO MUCH.

(15.12.20)

Q. 19. WHAT MESSAGE SHOULD BE GIVEN TO ALL THE CHILDREN?

A. Everyone has a fixed time to play their role. If it is not the right time for anyone to come here, he may come if he is forced to come, but he will develop faith at his own time. The father will definitely meet, but before the meeting the mind and intellect of the child has to be ready for it. Every reel of the drama is accurate. Every child will meet the father exactly at the time which is fixed for him in the drama. If he is not supposed to meet the father at a particular time, even if he makes the effort to meet the father, there would be some hurdles to stop him. (What is the secret behind me, coming here?) The most important secret is YOUR LOVE FOR THE FATHER. Keep aside, the knowledge, Yog and

Check only love. Second secret is, in the times to come, your service is going to be very vital. Many souls, whom the father wants to meet are connected to you. Don't think that you have come here. The father caught hold of your hand and brought you here. This is a very big secret. The father wants to give a message to everyone. All the souls, belonging to advance party are safe. They are all under the protection of Baba. You don't have to worry about them. If you want to worry, worry about your own spiritual effort. It is good to be knowledgeable. But considering oneself to be a great Gyani, questioning drama and saying, "It is impossible" is a little TOO MUCH. SUCH A PERSON NEITHER UNDERSTANDS DRAMA, NOR BABA. HE DOES NOT UNDERSTAND THE POWERS OF THE FATHER. THE FATHER IS ALMIGHTY. HE IS THE CREATOR OF DRAMA. HE IS THE CREATOR OF THIS WORLD. (14.6.19)

Q 20. CHILDREN ASK THE FATHER, "WHY DID YOU LEAVE MADHUBAN?"

A. The father says, the work which was given to the children did not get completed. Now, the father is hopeful that they can finish "mine" and "yours ". The biggest hindrance in service is "mine and yours ". Many children ask, "How can our father come like this, anywhere?" This is like in the path of devotion, people say "this is our Temple" "Our God ", "Only our God can be in this area". The souls of different religions say, "My Khuda "My Allah". Now, this has entered into Brahmin children too. They even say, "Is our baba so cheap, that HE will come anywhere?" What should the father do? IF GOD BECOMES ANYONE'S PERSONAL PROPERTY, THE UNIVERSE WILL STOP FUNCTIONING. All religions believe in one God; every child is taught that world is a family. If any family- member makes a mistake, is he not given a chance to correct himself? OR are they expelled? The family which was created by the father, the father and Brahma Baba together used to correct the mistakes of all the children. They were not thrown out. Now, what happens? For smallest of mistakes, children are asked to leave saying "this is not Baba's order, this does not come under Baba's directions this is against Baba's directions. So many were asked to leave. Where did the system get jumbled up? Now, you children

Together have to correct the system. If the system is corrected from the bottom, it will impact the top also, on the contrary if you start from the top, it will never reach the bottom. Start from The bottom, it will reach the top automatically. Did Brahma Baba ask anyone to leave? No, he never stopped anyone from coming to him. However big the mistake maybe, Brahma Baba always helped to lift them up, he never threw them down. If you love Brahma Baba, check how everything was taken care of when he was alive. (16.10.19)

Q 21. WHAT IS THE HIGHEST STAGE OF PURITY?

A. When you settle in PARAMDHAM as a point of light, THAT IS SAID TO BE THE HIGHEST STAGE OF PURITY. For that, you need to leave both the bodies (subtle and gross body). Because, as long as you live in this body, something or the other keeps happening which causes difference of opinions. This is responsible for bringing down one's level of purity. (8.1.20)

Q. 22. SOMEONE HAS ASKED ABOUT THE HEALTH OF A SURRENDERED SISTER.

A. Every soul has his own individual account. No one goes through any illness without any cause and effect. Now, if you tell me, please make her alright, the Father cannot guarantee that. This is about the account created by the souls. They may or may not get healed by medicines. If they are destined to get healed through medicines, they will. But if it is time to leave the body, one cannot avoid it through medicines. Then however much medicines you may feed, the soul will leave in any case. (8.1.20)

Q .23. BABA, PEOPLE SAY, WE ARE MAD, WE ARE TELLING LIES.

A. Stay carefree that you have, what you wanted. Anyone may say anything, don't bother about it. You have seen the diamond and recognized it too. Only you have recognized, the people who call you a liar, have not recognized. Hence, it is not their fault too. Children, don't get tensed, open the door and invite them, they will come. Stay happy

(8.1.20)

Q. 24. GOD BLESSED EVERYONE WHO CAME THERE BY PLACING HIS HAND ON THEIR HEAD. ALL KINDS OF PEOPLE HAD COME THERE?!

A. Yes. Someone put his head on his lap, he had not bathed for many days. If a Brahmin child comes to know about it, he would say "how can God come like this"? They would even pass judgment that "he cannot be the father". But the one who didn't bathe for so many days, is he not God's child? When he didn't have this much understanding that he should bathe, will God tell him? Go, take bath and come, I will place my hand on you? IF HE DOES SO, HE CANNOT BE GOD. HE is almighty authority; everyone is same in front of him. The one who is not visible to the world is visible to God. The people who say "God cannot come like this," do they know God more than God knows Himself? Can you limit Him to one vehicle and one place? He will slip out of it. The best Throne for God is PARAMDHAM. If he can leave it for the sake of His children, and come to this world, the place he visits, becomes a temple. The most knowledgeable have failed to recognize him. The father can stay in a place and send his rays everywhere. Try to recognize his powers, if you cannot understand, read the Gita again. (20.2.20)

Q. 25. EVERYONE IN THE CENTER SAYS, IT IS MAYA (ILLUSION). WE HAVEN'T GOT THE ORDER FROM ABOVE (HIGHER AUTHORITY), TO GO THERE.

A. If they fear that they may be trapped by MAYA, tell them to come and meet her, they will realize how sweet she is. They will find MAYAPATI (Master of Maya) here. They haven't got order from above? When BABA came, did HE take order from above? Is anyone above PARAMDHAM? If they say, they didn't get order, it means, they have no love for BABA. When BABA came to MADHUBAN, did BABA create MADHUBAN or MADHUBAN created BABA? Who implemented the order? When BABA is not there, who can give order? Where are they getting the paper that they are facing now? By order, or from above? (3.3.20)

Q. 26. BABA, CHILDREN ARE TOLD THAT, IF THEY COME HERE, THEY WILL GET PUNISHED AND THEY WILL HAVE TO SHED TEARS OF BLOOD. WILL THEY FACE THE CURSE OF BRAHMINS?

A. A Real Brahmin always wishes well for everyone. Anyone who curses cannot be considered a Brahmin, and cannot be a BABA'S child too. Even worldly parents never curse their children, however bad the children may be. In which MURLI did BABA teach to curse those who want to go somewhere else? If they curse the children, it means that they are writing abuses in their paper. Then they can expect their results also accordingly. BABA has taught for 80-85 years, HE never taught to curse anyone, in spite of it, if they curse, it won't be the children who will get the curse of the Brahmins, it will be the Brahmins who will face the consequences. (3.3.20).

Q. 27. IT HAS BEEN ANNOUNCED THAT NO ONE SHOULD ACCEPT ANYTHING FROM THE ONE WHO HAS BEEN HERE TO MEET BABA. IF SO, THEY WOULD ALSO GET CAUGHT BY MAYA.

A. Is this the faith they have in their own love? They feel that a small sweet can exert so much power on them? What kind of austerity did they follow? That it can get affected by eating a small sweet? This is not austerity or love. It means that, neither you have faith in BABA, nor you have faith in yourself, nor have faith in DRAMA. Failed in every aspect.

(3.3.20)

Q. 28. WHAT IS THE REASON FOR NOT EXPERIENCING ANYTHING IN YOG?

A. Yog means expressing your heart felt love. But when you spend more time in service, experience in Yog gets reduced. Out of four subjects, (knowledge, remembrance, inculcation and service) if you are more interested in service, how can you experience anything in Yog? When your mind is engrossed in service, how can you experience love? You need to maintain a balance between these four subjects. Lack of experience in Yog implies, there is no balance among the four subjects. But only if you get full marks in all the four subjects, you can claim high

Position. As in worldly education, marks you have attained cannot be exchanged between subjects, same way, you cannot transfer your marks in understanding knowledge, to the subject of remembrance and vice versa. When children are busy in service, they forget that they are serving BABA. If service remains just service, it is difficult to experience BABA. If knowledge becomes too much, it becomes very difficult to write a test paper. SO, WHAT SHOULD I DO?.....BECOME INNOCENT! TELL BABA, I KNOW NOTHING!.. ALL I KNOW IS TO LOVE YOU. THE MOST IMPORTANT SUBJECT IS LOVE. When there is love, inculcation of knowledge, service... everything happens automatically. Baba is very loving. Express your love to HIM and see, how intoxicated you become. No one in this world is more loving than HIM. THE MORE YOU LOVE HIM, YOU WILL EXPERIENCE

(3.3.20)

Q. 29. WHAT IS DETACHMENT?

A. Detachment means, you have developed disinterest towards the gross things. We cannot call it hatred. Detachment means, you are not interested in it and you don't need it too. You are happy within yourself. Suppose you have a system, and I tell you to forgo it, you leave it, not out of compulsion, but from within, then IT IS CALLED DETACHMENT. Suppose you don't like something, won't you run away from it? That means you have developed detachment towards it.

(3.3.20)

Q. 30. BAPDADA, BOTH USED TO COME TOGETHER IN DADI GULZAR. BUT NOW, HOW DO YOU COME SEPARATELY?

A. When Baba comes from PARAMDHAM, he comes to the subtle world first. Then, from the subtle world, HE comes to the gross world. Since BABA is a point of light, HE has to adopt a body made up of light, to be able to come to this world. This is set as a rule, only for BABA, not for me. BABA is bodiless, HE neither has a subtle body, nor a gross body which is why HE comes with me. But when I come, Baba has not set this rule for me, that wherever I go, HE would also come. BUT WHEN WE BOTH COME, ONLY SHIV BABA SPEAKS. Though I am also aware of whatever is discussed. (3.3.20)

Q31. BABA, HOW CAN YOU COME LIKE THIS?

A. Main problem is, people see the physical appearance. Why did HE come in this physical form, what did she do? Who is she? Where has she come from? No one knows, but the one who adopted her knows who she is. When you were in devotion, you thought you take 84 lakhs births. Who told you that you take 84 births? Baba told you, only then you came to know. Who gave you the knowledge that GOD is ONE? BABA. Who made us Gyani (knowledgeful)? The ocean of knowledge, made us knowledgeable. Then, can we children be more knowledgeable than BABA? HE IS AN OCEAN. IF SOMEONE GETS A BUCKETFULL FROM THE OCEAN AND CONSIDER HIMSELF TO BE THE OCEAN, IT IS HIS MISTAKE. BABA IS AN OCEAN AND OCEAN NEVER GIVES THE CONTROL TO ANYONE. (3.3.20)

Q. 32. BABA, WHEN YOU WERE IN PHYSICAL BODY ALSO, PEOPLE WERE UPSET WITH MAMMA, WEREN'T THEY?

A. YES, Elders felt that "She is not Sindhi, she is young, she sits in the front, and we have to sit behind". THIS IS THE MOST IMPORTANT FACTOR WE NEED TO FINISH NOW. You children should practice to see ONLY soul in everyone, NOT THE BODY, NOT THE RELIGION, NOT THE CAST. Soul has only one religion- to become a peaceful soul and give that peace to others. First, stop asking people, WHAT IS YOUR RELIGION? To BABA, we are souls and we all are brothers. Thousands of souls are suffering. You children get the help from BABA, because you have recognized HIM. You can share your pain with Baba, but those children don't even know who their father is. Once you got Baba, you have become care free. But those children are crying and screaming. Now there is going to be so much chaos and disaster, no water will be available to drink, no food to eat. During that period, only help one can get is from BABA. So, please give the introduction of Baba to them. BABA WANTS YOU TO REMEMBER HIM WITH LOVE AND BE COMPASSIONATE TOWARDS EVERY SOUL. (3.3.20)

Q. 33. BABA, CHILDREN ARE IN FEAR.

A. Don't waste your time in finding whether Baba has come or not, whether HE has taken the third vehicle or not. Just write here- MY BABA IS WITH ME, then, there is no reason to fear. You need to have complete faith in Baba. When I was in physical body, money was over, we didn't know whether food can be cooked in the evening, no food grain was left. Still, I was carefree. I told BABA, "BABA, children are hungry, if you want to keep them hungry, okay, let them sleep without food, if you want to feed them stomach-full, feed them." Then money came from different places to make food and feed them. Now, everything is going to end now, focus on your spiritual efforts. Look at those children who are caught up in the instruments of science! People are so much attached to material things, " My car, my expensive car, I cannot leave it" When the soul leaves the body, what will they do? Catch hold of the handle of the car? THIS TEST IS BOUND TO COME, IT HAS ALREADY STARTED! From today, give everything to Baba and tell HIM," You need to guide me, you need to shape me" Can you talk to HIM like this? THIS MUCH IS ENOUGH TO GET RID OF YOUR FEAR. (3.3.20)

Q. 34. HERE THERE ARE MORE THAN 800 CRORES SOULS, ON THIS EARTH. WITHOUT GETTING PURIFIED, THEY CANNOT GO TO PARAMDHAM. SO, WILL THERE BE A LONG QUEUE IN THE SUBTLE WORLD?

A. Yes, they have to settle their accounts in the SUBTLE WORLD. Having to stand in the queue there, is also a punishment. But at every step, they settle their accounts, become light, go and settle in PARAMDHAM in their respective sections. Animals, birds and insects also have their separate sections in PARAMDHAM. (15.3.20)

Q. 35. BABA, IN ONE AVYAKT VANI, BABA KEPT REPEATING THAT HE IS IN DELHI, WHAT WAS THAT BABA?

A. It was a big secret. Children felt that BABA didn't know what HE was saying. SUPREME ALMIGHTY, THE ONE WHO RUNS THE

WHOLE UNIVERSE, WON'T KNOW WHAT HE WAS SAYING? IT WAS WRONG ON THE PART OF THE CHILDREN WHO KEPT REPEATING" BABA, YOU ARE IN MADHUBAN". For BABA, Delhi means "PARISTHAN", the capital of heaven. Why HE kept reminding the children of Delhi, was to say," Time has come to get ready to go there". But children thought BABA has forgotten. BABA FORGOT WHERE HE WAS SITTING?! CHILDREN WERE PLAYING THE ROLE OF THE FATHER!!. BABA allows the children to BOSS OVER HIM, to a certain extent. But when they cross the limit, HE wriggles out. HE HAS HIS OWN WAY!!. But when HE was repeating "DELHI", HE was signaling at the capital "PARISTHAN". When I was in physical body, once I told mamma, " Open your mouth, I will feed you egg. Immediately, she opened her mouth AAA. She passed the test, because she had complete faith in Baba, that he won't feed her anything wrong. But today's child would say, "He cannot be GOD, he wanted to feed me egg". It is a matter of understanding. This is why BABA says, "one in a trillion actually knows me". (THE WHOLE BRAHMIN FAMILY FAILED TO UNDERSTAND THIS).

(16.3.20).

Q. 36. A SISTER, WHILE DISCUSSING THE INCIDENT OF BABA REPEATING "DELHI", SHE ASKED, "IS IT NECESSARY TO REMIND THE ALMIGHTY ABOUT WHERE HE IS?"

A. The most important fact is, the children forgot whom they were talking to. It was a test for everyone, sitting in that hall. Majority of them failed. They were saying, the brain of DADI Gulzar had become numb. BUT BABA'S BRAIN CANNOT BECOME NUMB?! BABA, WHO DOESN'T FORGET TO FEED EVEN AN ANT, HIS BRAIN CAN BECOME NUMB? In any case, when Baba enters, Dadi's brain automatically becomes numb. YES, some children felt that there must be some secret in why BABA kept repeating "Delhi". Those children passed the test.

(16.3.20).

Q. 37. MANY CHILDREN FEEL THAT BRAHMA BABA'S VOICE NOW, DOES NOT MATCH WITH HIS ORIGINAL VOICE.

A. Don't go by the voice. Voice depends on the instrument through which the voice is heard. So, it is foolishness to try and match the voice. Let me reveal the whole secret now. When I was in the physical form, I was a devotee, I used to recite Sanskrit SHLOKAS also. I read BHAGAVATH and GITA. I had many Gurus too. My sanskars (personality traits) were more of a devotee. When God entered into my body, HE used my sanskars, which I had then. HE explained the secrets of scriptures. Thus the part played by God in the first one was very different. In the middle, when I left my body, God started coming in the child Shobha (Gulzar Dadi). Now the instrument is changed. I had a male body, God Shiva is also a male. Hence there was not much difference in the voice. Whereas Gulzar Dadi's body was a female body; combination of female and male voice resulted in a different voice. Though I also had to play my part sometimes in between. When God enters into a physical body, HE has to adjust according to the instrument soul. The child Shobha didn't have much to do with devotional path, so accordingly, God took care of the children through HIS teachings. But he did not use Sanskrit shlokas. In the last part, I am also playing an important role. When I left the physical body, and went to the subtle world, the father made me sit there and do a lot of service. Yagna went through expansion. Since I come in this body I will speak in Hindi only. Some children tell me "why don't you speak in Sindhi"? I tell them, "get permission from the father for it", then I will do it. Since the personality traits of this soul is used, the voice has to be in Hindi. The beginning, middle and end are all different. There is no similarity in them. As there is nothing common between two different lives, similarly, no role can be compared to the other. If anyone asks me to talk like before, I would tell them, "give me a body like before". ONLY THE FATHER KNOWS WHAT HIS PLANS ARE. I DID NOT KNOW BEFORE THAT I HAVE TO PLAY THIS ROLE TOO IN THE DRAMA. Okay!

(19.3.20)

Q. 38. BABA, EVERYONE IS IN FEAR, HOW TO HANDLE IT?

A. Yes, today everyone is scarred of death. They think that our country is in danger. Brahmin children spend so much time to stay in remembrance of BABA. Why don't they remember that the soul never dies and it cannot be destroyed? When you have surrendered your life

to BABA, even if you lose your body, you will go to BABA. Don't you think you should be happy about it? BABA has come to take everyone up. Whatever is destined to happen, will happen. You can do one thing: FEAR NOT. It is the fear which is killing everyone. It is the fear which is creating disease in them. The message Baba wants to give you is: REMOVE THE FEAR OF DEATH FROM YOUR MIND. Baba is taking a Paper on your first lesson: THE LESSON ON ATMA (the nature and properties of a soul). JUST REMEMBER BABA, YOU WILL FEEL BABA BY YOUR SIDE. DON'T THINK HE IS GONE AWAY FROM YOU. (23.3.20)

Q. 39. TOWARDS THE END, WHEN SHIV BABA USED TO COME IN DADI GULZAR'S BODY, WE COULD HEAR THE MURLI IN GULZAR DADI'S VOICE. WHAT WAS THE SECRET BEHIND THAT?

A. It was a signal to the children that BABA is going to change the vehicle. Second reason was, BABA was not coming in HIS full form then. Third reason is when the SUPREME SOUL comes in a body for a prolonged period, the SUPREME SOUL develops the voice like the instrument soul's voice. (DADI GULZAR'S voice). (4.4.20).

Q. 40. WHEN BRAHMA BABA WAS IN HIS PHYSICAL BODY, THERE WAS ANOTHER COMPLETE FORM OF BRAHMA IN THE SUBTLE WORLD. SIMILARLY, DO ALL THE BRAHMIN CHILDREN HAVE THEIR COMPLETE FORM IN THE SUBTLE WORLD?

A. Definitely not. Souls move around with their complete form with them. What is meant by complete form? "ESTABLISHMENT THROUGH BRAHMA". Right now myself and that form are separate. Three deities, Brahma Vishnu and Shankar were created. Had there been complete forms of all Brahmin souls present in The Subtle world, there would have been praise of all the souls. Why is it not so? The reason behind is, I became a Brahmin and Brahma only after the Father entered into me. Every soul with the gross body has its own subtle body made up of light. When I left the gross body, I took the subtle body made up of light with me, when this light merged with that light in the subtle world, became complete. You have the complete form made up of light, within your

gross body. When you leave the gross body, you will go to the subtle world, with the subtle body. When you go in front of Dharamaraj, the fountain of light from him will remove your subtle body, then you will become complete.

(4.4.20)

Q. 41. BABA HAS TOLD THAT CHILDREN Will BRING DOWN, THE SOUL WORLD AND THE SUBTLE WORLD IN THE END. HOW CAN IT HAPPEN?

A. Baba said, IN THE END, He did not say IN THE MIDDLE. In the end, there will be peace and happiness here. 90% of the souls will be in the Soul-world. So the Soul world will be full and here it will be empty.

Hence this place will become Peace world. So, where is Peace world now? Up. Why? Because all the souls are down here. But when all the souls go up, Paramdham will come down, meaning, this place will become Peace world. It is not that Peace world and this world will exchange their positions. NO. It means that the whole world will become very peaceful. About The Subtle world, when all the children start making fast spiritual efforts, they will look like angels, moving around in this world. Then, just by looking at each other, they can communicate, they won't have to produce any sound. Thus, the subtle world and Soul world will come down in the END. Important word here is IN THE END, and END is nearing very fast.

(10.4.20)

Q.42. WHAT IS CALLED COMPLETE FAITH?

A. The one who has complete faith in Baba would feel, Baba is in my heart, I should not feel shaky while I face a paper (challenge).There must be something good for me in everything which happens in my life. Whenever I face a challenge, Baba is by my side, helping me to face the challenge. He does not allow me to get scared of the challenge; instead He helps me to come out of it successfully.

(15.4.20)

Q. 43. BABA THEY ABUSE US SO MUCH.

A. There is something good in this also. People can give only what they have. What do you have in your shop? Diamonds, so what would you give? Diamonds. If the others have only trash in their shop, what would they give you? So, people can give only what they have with them. Baba is a Ratnagar (the one who has lot of jewels) He can give only jewels. Our Baba has taken so much of abuses. I have also taken a lot of abuses. Without abuses, one cannot get a garland. So, no tension, only attention. Ok? Make sure no one gets any trash from your shop. (15.4.20)

Q. 44. BABA SAYS, DURATION OF DRAMA IS 5000 YEARS. HE ALSO SAYS, 3000 YEARS BEFORE CHRIST, THERE WAS HEAVEN. NOW ACCORDING TO THE CHRISTIAN CALENDAR, MORE THAN 2000 YEARS HAVE PASSED. CALCULATION DOES NOT MATCH.

A. How can the calculation match? The calendar was made according to their calculation. But when was their calendar made? Within 100 to 200 years from now. Let us see the Baba's calendar. 2000 years before, some drama happened; but the majority of incidents happen within hundred years from now. Excepting Swayamvar, everything will finish within hundred years. But Swayamvar also will be in the Confluence age only. (Someone asked, it will happen so fast? in the year 2034, Confluence age will complete 100 years; at what age will you sit for Swayamvar?) Nowadays people get married between 21 to 25 years of age. There, it will be above 25 years. The Confluence age will be more than hundred years. It is not so accurate. Even in the world, Sava mahina (one and half month) is given more importance. That way, Confluence age will last for 125 years. Who will live till Swayamvar? For those who won't survive till then, it will be like hundred years only. Golden age comes slowly. Even Iron Age did not come suddenly. Baba says we get happiness for three parts of the drama and pain for one part of the drama. A house gets damaged slowly, but when it breaks, It breaks fast. It takes time to create a new one. By Swayamvar, it will get created completely. But within hundred years of Confluence age, most of the population will get finished. (15.4.20)

Q. 45. WHAT SHOULD BE OUR EFFORT AT PRESENT?

A. Whatever Baba has told you. Read Murali with complete attention, not once but three times a day. Read carefully, not as a compulsion, read it with love. Read with the feeling, Baba loves me so much, do I also love him as much as He loves me? This is a letter from Baba to me, all the teachings in this Murali are for me. My Baba has sent me this letter from Paramdham. (15.4.20)

Q. 46. PEOPLE ASK, HOW CAN BABA LEAVE SUCH A HUGE CROWD AND GO TO A PLACE WHERE THERE ARE VERY FEW PEOPLE.

A. Why not? Because those few people are full of love for Baba. It is not that the crowd is not good. Crowd also is very good. Tell them that Baba has come to a crowd only. They are incapable of seeing the crowd behind these few people. (25.4.20)

Q. 47. THEY WILL COME HERE ONLY WHEN THEY ARE ABLE TO SEE A CROWD HERE.

A. The ones who follow a crowd are like sheep and goats. Why do they need to support a crowd? Because they don't use their own intellect. They will come when they are able to recognize. The child Jagdish came when people were leaving the organization, during the beggary part. This is the sign of a diamond. While the fake ones were leaving, the true one entered. The ones who confessed that they cannot live without Baba and those who wrote with their own blood, "I will never leave you", they all left, when they didn't get good food. This is the difference between the true ones and the fake ones. Determination comes from the heart. The child Jagdish had a pure heart and love for Baba. (25.4.20)

Q. 48. SOME PEOPLE SAY, "THROUGH THE SENIOR BROTHERS, SISTERS AND DADIS, WE UNDERSTAND THAT BABA CANNOT COME IN SUCH A SIMPLE PERSON.

A. She may be simple from your point of view, but the one who comes in her knows what she is. This is a direct proof that the people who say such things are not thorough with the lesson of Atma (the soul). Suppose I say, the great soul in whom Baba came first is here now, will they believe? NO. They will not, because they are tightly bound by body- consciousness. It is easier to get rid of the iron chain when it binds you, it is difficult to get rid of the golden chain which binds you. What is the golden chain? "I am in Gyan (knowledge) for so many years, "I am here for so many years", the comforts, the position they have acquired there, pride of their position -these constitute the golden chain. But Baba is a diamond. Most people fail in recognizing a diamond. (25.4.20)

Q. 49. SOME PEOPLE SAY, SHE HAS NOT EVEN WORN THE BADGE, HOW CAN BABA COME IN HER?

A. When I was in physical form, when Baba started coming in me, there was no badge. Towards the end, I sent message to the children for making and wearing the badge. Does it mean that Baba will come only in the one who wears a badge now? Baba will take a paper on them on this subject only. They are challenging Baba and His discretion. She has worn colored clothes, how can Baba come in her, she looks so simple, and how can Baba come in her?... Tell me, those days I used to wear dhoti, there was no badge on me. Today, wear a dhoti and move around in Madhuban, you will be thrown out saying you don't have the conviction. Is Baba bound by rules? Baba is not bound by any rules of this world. It is also a sign of body consciousness. If you believe that baba can come only in the one who is dressed in white and have a badge fixed on the dress, Baba is the one who takes you beyond all these things. One thing everyone should fit in the intellect: BABA HAS NOT COME TO CONVINC ANYONE, BABA HAS COME HERE ONLY FOR THOSE WHO ARE FULL OF LOVE AND LONGING FOR BABA. (25.4.20).

Q. 50. SOME TEACHERS ASK HOW BABA CAN MEET PEOPLE DIRECTLY, (THE ONES WHO ARE IMPURE, WHO HAVE NOT INCULCATED BABA'S KNOWLEDGE)

A. If BABA wanted to meet only pure children, why would HE come in this impure world? Why would HE take an impure body for HIS vehicle? Why do they raise such questions? They need to do something to increase their customers. If they think that BABA is meeting such people for the sake of money, there was no shortage of money in MADHUBAN. BABA never asks anyone to donate money here. BABA has such children here, who won't take a second to surrender everything to BABA. But BABA has always told that a time will come, when HE will not accept anything from anyone, because HE will also have to return. Whom do the children of all religions call? THE ONE AND ONLY ONE. They may call by different names. If you say, "our father will not go to your temple", why won't HE go? HE is the FATHER of all children. If you say "We are knowledgeable", how did you become knowledgeable? Originally, you were ignorant. Then how can you say, my FATHER cannot meet ignorant people? BABA HAS NOT SIGNED ANY CONTRACT WITH ANYONE.
(10.5.20).

Q.51. BABA, HOW MANY MORE YEARS OF SERVICE LEFT?

A. Not many, it is almost over. Some time is left. Can't tell you fully. Just meeting, taking energy through vision (Drishti), and change. Just two jobs or left. (11.5.20)

Q. 52. EVERY SCENE OF THE DRAMA IS REPEATED AS IT IS. STILL WE HAVE TO MAKE SPIRITUAL EFFORTS; BUT NOT ABLE TOMAKE EFFORTS. WHAT CAN BE SAID ABOUT IT?

A. Have to make spiritual effort but it does not happen! There are two sentences: 1.Have to do. 2. Does not happen .You have to do, only Then it will happen. God gives enough chance to everyone in Confluence age. But when children fail, then every scene is repeated as it is. Now God gave chance and time to everybody. There is nothing in this world, which is more powerful than God. The whole world was given chance to remember God. But children are very smart. When there is problem, they seek God's help. But once their problem is solved, they don't want to even recognize God. They take credit on themselves. Some children even when they are in death bed, they don't want to

accept that there is God. God says "Ok die, after death, you will get to know whether there is God or not." If children don't make use of the chance given to them by God, God cannot do anything about it. ONLY THEN DRAMA GETS REPEATED AS IT IS. (11.5.20)

Q. 53. ONCE WE READ IN SANDESH (MESSAGE FROM THE SUPREME ABODE) THAT WHEN GULZAR DADI WENT TO THE SUBTLE WORLD, SHIV BABA TOLD HER, "BRAHMA IS THE ONE WHO TAKES 84 LIVES, HENCE HE HAS THE HABIT OF MAKING 84 ROUNDS, And HE HAS GONE FOR THAT ". DURING THAT PERIOD WHEN BRAHMA BABA WAS NOT THERE, IN WHICH FORM DID SHE SEE SHIV BABA?

A. She saw Shiv Baba in the complete Brahma Baba's form which is there in The Subtle world. Baba is a point of light, even to utter a word, he needs the support of Akari (form made up of light) or Sakari (a physical form). When she went there, Sakar Brahma had come down to this world, SHIV Baba used that Akari body (the one who can be called Dharmaraj) to answer her. Once I left the physical body, Baba told me that I cannot be sitting there all the time. Baba used to send me to give divine visions of Ganapati, Hanuman and Durga to different devotees. I am not the one who can stick around anywhere, I like to move. The one who can stick around is Dharmaraj (the form, who never takes birth in the world). When I enter into that form, I can see the creation through vision (drishti). When you have committed sin through your body, how can you be punished through the body less? Suppose something has been prepared, it then has to be fried in a frying pan, to refine it. Refining takes place in the subtle world. When all the creatures die in the world, the ones who are not purified, get purified here through Dharmaraj. It is not that Dharmaraj Puri is only up in the subtle world, even Madhuban will become Dharmaraj Puri. The whole world is going to become Dharmaraj Puri. Though the world is very far off from the subtle world, Dharmaraj can see every small little things here, while sitting there in the subtle world. (11.5.20)

Q. 54. BABA WHEN WE SAY, "WE CANNOT LIVE WITHOUT THIS", IS IT BODY CONSCIOUSNESS?

A. Of course it is. It is body consciousness. Initially, when children used to come to ABU, we didn't have any car, we only had a bullock cart. All their luggage was loaded in the cart and they used to come walking. Anyone who got tired would sit in it. There was no proper Road. Nowadays they have made such a good road. Some children used to carry the luggage on their head too. The child Jagdish used to go by bicycle, to find out the train- timings. Nowadays, telephone is there to find the timings. Was there no service at that time? Baba worked very hard. Compared to that, today it is very easy. Today if you tell anyone to go by bicycle, they would say, "my legs pain". No one wants to do any hard work today. It is not wrong to use the instruments of science, but one should not become slave to it. It should not have an impact on the soul. Children say, "I cannot sleep in the heat, I need a fan, and I need AC." In cold weather they need heater. Time ahead is going to be very difficult. Children have failed in one paper, they could not recognize the father, and their position will be allotted number wise, according to their spiritual efforts. Their second paper will be from nature. Once the instruments of science fail, the second paper will start. Children who are slaves to these instruments, will surely fail. Some of the children who are not very dependent on science, may leave their body or will have to work very hard. (11.5.20)

Q. 55. BABA, DO TREES AND CREAPERS HAVE SOUL IN THEM? THEY TOO ARE LIVING BEINGS?

A. NO. You need to understand nature. Our body is made up of five elements. When soul enters into it, activity starts. SOUL IS NOT A PART OF NATURE. SOUL AND NATURE, BOTH ARE GOD'S CREATIONS. BUT WHEN NATURE AND SOUL COMBINE, THEN IT BECOMES A LIVING SOUL (JEEVATMA). A body cannot do anything without the soul and soul cannot do anything without a body. Though the trees and creepers don't have soul in them, they can feel, because they too are the creation of God. (16.5.20)

Q. 56. CAN YOU EXPLAIN WHAT VOLCANIC YOG IS?

A. See BAPDADA (BOTH) in DHARAMRAJ (Brahma Baba's form, made up of light, placed in the SUBTLE WORLD.) Place yourself in front of him and feel, "I am becoming more and more powerful, all my sins are getting burnt". You will feel some discomfort, because it is not easy to sit in front of DHARMA RAJ. Some people say that Volcanic Yog happens in PARAMDHAM, it is wrong. PARAMDHAM is also called PEACE WORLD. So, one cannot do Volcanic Yog in PEACE WORLD. All the accounts are settled in the SUBTLE WORLD. Create a thought, "Powerful energy is getting emitted from DHARAMRAJ, I am sitting all alone in front of him and no one else is here. BABA is making me absolutely pure". (16.5.20).

Q. 57. BABA, SHIV BABA HAS NOT BEEN COMPLETELY REVEALED TO THE WORLD YET.

A. YES. GOD is called "SWAYAMBHU." which means the one who created himself. No seed can germinate on its own. A seed is sown in the soil, provided air, water and sunlight, then it germinates. For the One who creates himself, creates his children, creates nature and incarnates in this world to help his children, NOTHING IS IMPOSSIBLE. Is it in our capacity to reveal HIM? HE came in an ordinary human being to this world, in an incognito manner. So, not many people recognized HIM. This is why, in the path of devotion, it is said, "God can come in any form", "God is everywhere" WHEN HE WANTS, HE WILL REVEAL HIMSELF TO THE WHOLE WORLD. (11.6.20)

Q. 58. WHEN YOU LEFT YOUR BODY, YOU MENTIONED THREE WORDS IN YOUR LAST CLASS- "INCORPORIAL, VICELESS AND EGOLESS". VICES INCLUDE EGO ALSO, WHY DID YOU MENTION EGOLESS AGAIN?

A. VICELESS means, rid of all vices (lust, anger, attachment, greed and ego). EGOLESS means, you don't have ego about the knowledge you have acquired in your whole life. "THERE IS NO EGO IN ME"- this is also a type of ego, it is very subtle. But we need to get rid of this ego also. (11.6.20)

Q. 59. HOW TO BECOME MAYAJEET?

A. The one whose fortune is written by God Himself is the most fortunate person in the world. When a small child, does not know to write, his father holds his hand and makes him write. Similarly, you are a child, trying to create your own future. It is the "only one time chance" and the Fortune maker himself is holding your hand. Now, you should not get tired. Don't tell the father, "I am tired now, let us write tomorrow. Never think that you have come very late to the father. Father comes to meet you during AMRITVELA, early in the morning and many times during the day. But the children's intellect is connected to so many people, excepting the father. One needs to avoid this. They entertain Maya, but they don't even pay attention to the father who has come to help. They call father for help but engage themselves in the phone. God is an ocean of knowledge, ocean of bliss, ocean of happiness. But children go searching for all these in the world and get tired. Time and energy both are wasted. No child should think, "The father loves me less". The father says, "I love 10 times more than you love me". Become a true loving child of the father. If you have any problem sit and discuss it with the father, HE will solve it within a second. If you fail in a paper, don't keep thinking about your failure. What you don't remember is Maya never repeats the paper. When you wait for Maya's entry through one door, Maya will come through another door. She is clever and sensible. Children become "Maya conscious" and keep waiting for Maya, instead of improving their own strength. You get strong when you stay in remembrance of the father. Instead, when Children stay in remembrance of Maya, they see Maya everywhere. The father says, "don't wait for Maya and don't fear Maya. Maya comes to make you stronger and promote you. When you stay in remembrance of the father with your sense organs interiorized, what can Maya do? Keep your mind and intellect clean for not to get affected by Maya. (22.7.20)

Q.60. WHAT IS THE HIGHEST STATE OF "KARMATEET"?

A. KARMATEET means beyond the impact of our good and bad deeds. When we finish with all the accounts we have created in this world, leave

The body and settle in The Subtle world - this stage is called KARMATEET stage. The stage higher than this is the "HIGHEST KARMATEET" stage, where the soul is in the seed stage, in PARAMDHAM. Now, I am in The Subtle world, I don't perform any deed in the gross level; but in the subtle level everything is going on. Hence it cannot be called "HIGHEST KARMATEET" stage. I go around everywhere and perform my subtle duties of giving divine vision to people, finding out the needs and desires of the people, and experiencing their love and abuses too. You need to understand the word "completeness" In this world, there are good deeds and bad deeds. Rising above these good and bad deeds and the effect of those deeds- this is one stage. Another stage is "SAM" "Purna" meaning, winding up everything in subtle and gross level, and becoming a seed. This is the complete stage. (Don't we call it HIGHEST COMPLETENESS?) There are different levels of "completeness". ONE "completeness" refers to the stage in The Subtle world another completeness stage is in PARAMDHAM. So far, I have not reached the "completeness" stage of PARAMDHAM though I am full in the "completeness" stage of The Subtle world. Once we reach the "highest completeness" stage in PARAMDHAM, we come down to take birth, then the reel of the present cycle is over. (20.8.20)

Q.61. IS THE SUBTLE WORLD ABOVE SATLOK? IN THE PATH OF DEVOTION, OUT OF 7 WORLDS, SATLOK IS SHOWN ON TOP. IS BRAHMAPURI IS MADE UP OF ETHER OR IS IT MADE UP OF MAHATATVA/ PARAM TATVA?

A. Satlok is the same as PARAMDHAM, which is away from The Subtle world. There is not a sign of false there. This world (where we are in) is made up of nature. It is filled with false things, whereas Satlok is the place where God who is truth and who always speaks the truth lives. There is a praise of 7 LOKS in the path of devotion. There is a very important factor here. WHY IS THE NUMBER 7 USED? The seven qualities of the soul are represented by 7 LOKS. When a soul is immersed in a particular quality, (say happiness) he says "I am in the world of happiness ". Then the same soul becomes an embodiment of peace. When the soul becomes pure, he says "I am in a pure world ".

The seven qualities of the soul are represented by 7 worlds (7 Loks). When the soul goes to the peace world, what will be his experience? I am peaceful. Similarly, the world of happiness, purity, knowledge etc. The one who created all these seven Loks (seven qualities) is in Satlok. The meaning of Satlok is - the place where the true God resides. The one who created the seven worlds, (seven qualities) is SHIVBABA. In the path of devotion, one cannot understand such subtle matters. So, they have written according to their capability.² (The one which is made up of five elements (Satlok)...is called Brahmatatva?) What is The Subtle world made up of? This is what their question is. First of all, there is no element in the subtle world. Elements are present only in this world (where people live) Five elements are earth, water, fire, air and Ether. Elements can be seen. Whereas the Subtle world is made up of light. Can light be called an element? Take water for example, we can say nothing is lighter than water, but light can float on water. The light, in this world can be counted in the category of elements to a certain extent. But the light of the subtle world and the Soul world cannot be considered as element. It is above every element. The Soul world (PARAMDHAM) is filled with a golden light, which has no comparison in this world. (6.9.20)

Q. 62.WHEN WILL THE PART OF DHARMARAJ START? WHEN THE SUBTLE BODY OF SAKARI BRAHMA (BRAHMA WHEN HE WAS IN PHYSICAL BODY) MERGES WITH THE COMPLETE FORM OF BRAHMA (FORM OF BRAHMA MADE UP OF LIGHT, CREATED BY GOD)?

A. In the Confluence age of 100 years DHARAMRAJ plays two roles. When God comes to this world from the Soul world, HE takes the support of the form of Brahma placed in The Subtle world. That is DHARMARAJ's role number one. When Brahma finishes his role here and goes up, merges with the subtle Brahma, then it is DHARMRAJ's role number two. Now, who gets the punishment from Dharmaraj first? Dharmraj is called Yamraj in the path of devotion. But Yamraj is always shown on a bull. Yamraj is another form of Mahakal (great death). Dharmaraj is different from Yamraj. Dharmaraj is never shown on a bull.

Dharmraj is shown seated on a Throne. Hence, Dharmaraj and Yamraj are different from each other.

(6.9.20)

Q. 63. YAMRAJ IS SHOWN RIGHT FROM COPPER AGE, BUT ROLE OF DHARAMRAJ STARTS NOW?

A. NO. Yamraj's role started when people started going through pain; when the wars started, Yamraj's role started. Whereas Dharmraj's role started very recently. (6.9.20)

Q. 64. DO WE GET PUNISHED IN THE SUBTLE WORLD FOR OUR ACTIONS? IF EVERYONE'S ROLE IN THE DRAMA IS FIXED, THEN WHY SHOULD THERE BE ANY PUNISHMENT? AND WHAT IS THE USE OF MAKING SPIRITUAL EFFORTS?

A. Very good question. Knowledge has been misunderstood by children." Everyone's role in the drama is fixed"- this leads to a lot of confusion. As for example, the statement- "food has arrived" is been interpreted as "food will reach my mouth", then they feel, "if it is in drama, I will eat it"." "Fixed" - what is the meaning of "fixed"? Children have misunderstood this. Once the shooting is over in the Confluence age, it is fixed; you cannot change it; it is locked; from golden age to Iron Age, only what has been shot will be played. But in every Confluence age, lock is unlocked. God opens the intellect of the children in the Confluence age by giving them knowledge, but the children have misinterpreted it, and say since it is fixed, let us do whatever we feel like, if it is in the drama, we will get it, otherwise we won't. It is like cutting one's own feet with an axe. In the present drama, science is progressing in all fields. In this drama, every secret is getting revealed. Suppose looking at an old bungalow, someone thinks," if I open the doors of the bungalow, I will be attacked by tramp souls", and does not open the doors, "IT IS FIXED." If you open it, you benefit. Keys are in your hands, it is up to you whether you open or not. What do the children think? "if it is in the drama, my hands will reach out to the lock and open it with the key". This is utter foolishness. When you are determined not to open the door, "IT IS FIXED". Suppose you are sitting in an exam- hall, you don't

know a single answer for the questions in front of you, you have two choices: you write whatever you feel like and think," If I am destined to get marks I will get, otherwise not." OR you may not like to even submit the paper for checking. In this case" it is fixed". Second choice is, you will try to recollect whatever you have studied or try to get some clues from your friends so that you can answer the questions better. How can one get anything without making effort? First of all, remove the word "fix" from your intellect. God is making changes in the drama now. If you get stuck in "fix", you will have to regret later. Without education can anyone get a job anywhere? You need to learn even to wear clothes. You were not born with the knowledge about wearing clothes. Will you say "if it is in drama, I will wear clothes otherwise I will roam around without clothes?" God is teaching us that if you practice Om, you can stay in remembrance of God for a long time, you can develop the power of silence. The door is open for everyone in the Confluence age. Many people think "if Brahma baba is going to become Krishna, what is the use of making effort?" If anyone wants, he can make more effort and go ahead of Brahma also. Every soul has been given the knowledge about Karma (our actions), Brahmin children have been given more knowledge. The one who understands the knowledge is a Brahmin; the ones who don't understand are warriors and others. Some, even after becoming a Brahmin, act like a non-Brahmin. It is not God who fixes your destiny; you fix your own destiny. God does not give the fruit of your good and bad actions, HE only gives JUSTICE. It is not that one will play the same role in every cycle. The efforts you make in Confluence age decides your next cycle. Every soul's part opens up in the Confluence age. It is up to you what you add to it. Children believe in God but they don't believe in what he says. God will not force anyone to come and meet him. Message will definitely reach them that HE has come. Children are at liberty to choose whether or not to accept it. They fix their role in the drama, not God. Now is the time, children need the father and the father wants to help them. But if they don't want to accept HIS help, it is not there. (6.9.20)

Q. 65. IT IS EXAMINATION TIME, ARE YOU READY FOR IT?

A. Now the situation is going to get worse. So far, the exam was for those who do not have knowledge. Now it is going to be for the knowledgeable. I won't tell you in which form it is going to come, paper will be on your physical health, mental health, money, and your spiritual efforts. If you don't study your lessons properly you may fail. In the world, same paper is set for all the students. Whereas, the father understands every child. Hence paper will be set, according to everyone's intellect. He will not tell you ahead, what form of paper, it is going to be, but remember, and the father will always lift you up whether you are a hard working or a lazy student. (19.10.20)

Q. 66. WHAT ARE THE 10 HEADS OF RAVAN?

A. (As far as we know, they are five vices of male and five vices of female). Very correct, let me tell you another meaning of "ten heads". Lust, anger, attachment, greed and ego and the five elements of nature. The five elements of nature are: water, air, fire, earth and Ether. So, it totals up to 10. God is the boss of all these 10. There is a 11th player, who never takes part in the game, but just watches how these 10 players play the game. Similarly, God never takes part in the game, HE has taught all the 10 players how to play. Now, all the ten players are going to play together, some time they may come separately too. First lust, then anger. Attachment will follow. Similarly, water and fire elements cannot play together. Earthquake and thunder will show their strength. We played with them so far, now it is their turn, they will play with the whole world and God will quietly watch them playing. During the end all five vices and all five elements will be at their peak. So, create a boundary around you, the most powerful boundary is staying carefree and worryless. When we stay worry-less the emperor God will be by our side when the emperor is by our side what is there to worry? We are moth and God is flame. He is the emperor and we are carefree. Our boundary is very strong. (19.10.20)

Q. 67. BABA, HAVE WE COME BEFORE THE "TOO LATE" BORD IS HUNG, OR IS IT ALREADY TOO LATE?

A. You have come before the "TOO LATE" board is placed. Only those who are waiting for the number of people to increase (to meet BABA,) they will be too late to meet Baba. They think that they can make use of someone here to go ahead of the crowd and meet BABA. That will not happen here. (4.11.20)

Q. 68. SOMETIMES WE FEEL GOOD IN MEDITATION.

A. Baba fills energy in you to make you feel the intoxication, so that you feel good. You stay happy for few days, when it reduces, again Baba fills energy in you. This is the game Baba plays with the children. If you stay in that intoxication, day and night, your work here will get stopped. If the intoxication exceeds two days, then the soul will not like to stay in this world, it will start feeling, "What am I doing in this world". Hence, the intoxication you feel while doing work is good enough for now. (7.2.21.)

Q. 69. WHEN YOU ARE IN THE SUBTLE WORLD, CAN WE SEE YOU CLEARLY, IN YOG?

A. Only when your intellect is clear, without any other thought, it is possible. But what happens is, you think of Baba with love for a second and the very next second, some thought about your activities enter into your mind. Though it is possible to have a clear vision of the SUPREME SOUL in the SOUL WORLD and Baba in the SUBTLE WORLD when you have a clear intellect, but it is NOT possible now. Because if you start having those visions, you will enjoy and drown in that and forget about Baba's work. Now, it is more important to do Baba's work. (7.2.21)

Q. 70. EVERY SOUL WHICH COMES TO THIS WORLD, AFTER LEAVING A BODY, TAKES REBIRTH. EVEN MAMMA TOOK REBIRTH. WHY DIDN'T YOU TAKE REBIRTH? WHAT IS THE REASON BEHIND?

A. I had completed 84 lives in this world; I can't take 85th life. What has Baba told us? A soul takes maximum of 84 lives in a cycle. Another important reason is, what you cannot do while you are in the physical body, can be done when you don't have a body. Change and expansion of the YAGNA happened only after I left the body. One comes to know

What happens in every corner of the world? One gets to know about the subtle world. As long as I was in the body, I only knew whatever Baba taught me. But once I left the body, I got to know so many secrets. As long as we are confined to the body, we cannot understand the expansion of the knowledge. For example, we trust everyone and trust everything they say. Once you leave the body, you are able to understand what the other person ACTUALLY thinks!! (7.2.21)

Q. 71. BEFORE WE WERE TAUGHT THAT ' OM' MEANS I AM A SOUL AND I HAVE A BODY. WHEREAS, YOU SAY THAT 'O' MEANS THE SUPREME SOUL AND 'M' MEANS 'ME', THE SOUL. WHICH ONE IS RIGHT?

A. BOTH. A word has many meanings. Before, the meaning of 'Om shanti' was taught. It means "I am a peaceful soul". The expansion is, "me" the soul lives in the SOUL WORLD, and my Father is an ocean of peace. Now, we say, 'O' means the Supreme soul and 'm' means, me the soul. How is it different? If you remove 'shanti', what is the meaning of 'Om'? 'O' and 'm', right? 'Nature' is silent here, because 'nature' is within 'Om'. We utter 'om' only here. We don't utter 'om' in the SOUL WORLD. Why is 'nature' silent here? Because, we use the body, (made up of nature) to utter 'Om'. To utter 'Om', we need a body. This is why there are three factors in 'Om'- SOUL, SUPREME SOUL AND NATURE. 'Om shanti' is an expansion of the knowledge. Now, BABA has made it PRESISE. (7.2.21)

Q. 72. BABA, YOU COME WITH A BUNDLE AND RELEASE THE SECRETS LITTLE BY LITTLE.

A. Now, you are asking, "what are all there in your Bhandara?' You may have everything you need in your Bhandara. You may also know how many kilograms of Dal and Atta are there in the Bhandara. But will you be taking out the whole thing every day? No. Similarly, according to the capacity of the children to understand, Baba explains. If you spread all the diamonds you have, in one go, children will become lazy and loose interest in taking. Moreover, they

Won't be able to take care of them. So, only to the extent children can understand, secrets are explained. (7.2.21)

Q. 73. AS SOON AS YOU LEFT THE BODY, COULD YOU UNDERSTAND ALL THE SECRETS IMMEDIATELY?

A. NOT AT ALL. It is said that "one becomes complete" means-one has got rid of all the weaknesses. Become complete means, you are under the protection of Baba. After leaving the body, when I reached the subtle world, I realized, Baba has so many bundles. I told Baba, "Had you told me about all these before, I would have prepared the children accordingly. BABA said, "That's why I didn't tell you". Then I asked, how are we going to reveal this? BABA said, "Wait for some time, the resources are getting ready". (7.2.21)

Q.74. BABA, INNOCENT CHILDREN ARE STOPPED FROM COMING HERE. THEY HAVE CREATED A BARRIER FOR THEM. KNOWINGLY, THEY ARE DOING THIS. WHAT PUNISHMENT WILL THEY GET?

A. NO PUNISHMENT. Everyone is playing out their role in the drama. If they don't create a barrier for the innocent children, how can we see their intense love for BABA? So, if they are losing marks by creating barrier, they are also scoring marks by being instrumental in exposing the love of the innocent children for Baba. This the test for innocent children. When they come, they will come with full force. Innocent children love them and respect them; but when they take a high jump, and come here, will you be in a position to handle them? It is just a matter of a second for BABA, don't bother too much about it. You, just focus on getting ready for it. (11.2.21.)

Q. 75. BABA, HAVE ALL THE SOULS FROM THE SOUL WORLD (PARAMDHAM) BEEN BROUGHT TO THIS WORLD? IS PARAMDHAM EMPTY NOW?

A. YES. Now it is time for the souls to go back home. Don't ask the date, when it got empty. If I say that BABA brought down all the souls with

HIM, you will ask, how come the population has increased after BABA has come here. Where will those souls go, who were killed in the war in SILVER AGE AND IRON AGE? They will take birth here only. So, naturally the number will increase. Because as soon as Baba came HE released them first, HE provided them body. It is not that, only souls with physical body were calling BABA, those tramp souls were also calling BABA. This is the reason for the increase in population after BABA has come.(13.2.21)

Q. 76. SOME ONE SAID THAT GREAT SOULS CAN COME LIKE THIS, BUT NOT THE SUPREME SOUL.

A. Why should any great soul come like this? They can perform great acts, using their own body. Why is it necessary to enter into someone else's body? Great souls also take rebirth, they don't have to roam around like this. Whoever says that some great soul comes to give knowledge, doesn't value the great soul also, otherwise he would have come here to meet the great soul and introduce others too, to the great soul. Another answer to him is, no great soul would consider himself to be the SUPREME SOUL. The sign of a great soul is, he would know that the SUPREME SOUL is his FATHER. No obedient child, the one who takes orders from his FATHER, would occupy his FATHER'S chair even in HIS absence.(13.4.21)

Q. 77. TILL TODAY, WE HAVE BEEN TAUGHT IN MURLI-" CONSIDER YOURSELF TO BE A SOUL AND REMEMBER BABA". NOW, MORE IMPOTANCE IS GIVEN TO CHANTING "OM". IF CHANTING "OM" IS SO IMPORTANT, WHY IT WAS NOT GIVEN SO MUCH IMPORTANCE BEFORE? ONLY THROUGH REMEMBRANCE OF BABA, WE CANWORK OUT OUR KARMA. IT IS MENTIONED IN MURLI- YOU GET WEALTH THROUGH KNOWLEDGE AND HEALTH THROUGH YOG(CONNECTION WITH BABA). WHAT WILL YOU GET BY CHANTING "OM"? ARE WE SUPPOSED TO REPEAT OM MENTALLY? OR LOUDLY AS WE USED TO DO IN THE PATH OF DEVOTION?

A. Since chanting "Om" is in practice here, there is only one question in every child's mind.-" These people have started shouting OM as in the

Path of devotion. "Tell me one thing, recently, the currency notes which were in circulation for several years have been changed (in India). IS THAT NOT A CHANGE? Many people had accumulated the old currency notes and felt secured with that. But as soon it was declared to be invalid, what happened? People who didn't have those currency notes were care free. But those who accumulated had heart attacks. Initially, it was Golden age, after some deterioration, Silver age and after lot of deterioration, copper age. In Copper age, the currency changed, language changed, everything became different. Then came the IRON AGE! Here again all the rules and regulations changed TOTALLY! Now, we are in CONFLUENCE AGE of 100 years. A FATHER WOULD ALWAYS CHOOSE THE BEST FOR HIS CHILDREN; HE WOULD ALWAYS CHOOSE THE BEST RULES AND REGULATIONS TO BENEFIT HIS CHILDREN; ANY DOUBT? Children Say," We are asked to come out of silence and get into sound. It is because, the time period that we are in now, is of NOISE. Now we hear people crying and screaming in pain. There is so much suffering around us. Can you children sit quietly after listening to their voices? Can you sit in silence and remember BABA in PARAMDHAM? Who has so much power in them? Even a slightest sound can disturb our concentration, now there is so much noise around us. When everything is sacrificed in YAGNA (Sacrificial fire), there is bound to be lot of noise. Noise of burning, noise of breaking and noise of dying. Can you sit in silence in this situation? You will not have phone or tape- recorder with you (they will become non-functional), to be able to hear commentary and meditate. What else can you do? - OM. Initially people would feel, "From beyond the sound, we are coming into sound". They would even feel, "What will others think of us- the one who used to sit in silence and meditate, has started shouting OM, to get connected to the Father". BUT IF YOU DON'T START PRACTICING "OM" NOW, YOU CANNOT DEVELOP THE POWERFUL STAGE WHICH IS NEEDED IN THE END. WHILE YOU CHANT OM, YOUR AWARENESS WHICH IS IN THE SENSE-ORGANS, WILL GET CONCENTRATED IN THE BRAIN. WHEN ALL THE ENERGY GETS ACCUMULATED IN THE BRAIN, ONE WILL EASILY FORGET THE EXISTENCE OF THE BODY. OM HAS SUCH POWER IN IT. IMPLEMENTATION OF RIGHT METHOD LEADS TO ATTAINING MANY POWERS. (13.4.21)

Q. 78. WHEN A KNOWLEDGEFULL YOGI SISTER WAS TOLD ABOUT THE THIRD VEHICLE AND SEEKED HER OPINION, SHE SENT A.V (11.04.82). IN THAT IT WAS MENTIONED-" ONLY THOSE VERSIONS GIVEN BY SHIV BABA THROUGH BRAHMA BABA CAN BE CALLED MURLI. ONLY THOSE DIRECTIONS ONE GETS FROM MADHUBAN CAN BE TRUE DIRECTIONS. ONE CANNOT MEET SHIV BABA ANYWHERE OTHER THAN MADHUBAN. ONE SHOULD HAVE COMPLETE FAITH IN ONE (BABA). ONLY THE LESSONS SENT FROM MADHUBAN ARE TRUE. IF SOMEONE SAYS THAT SHIV BABA PLAYS HIS ROLE WHEN A TRANCE MESSENGER IS IN YOG THAT ALSO SHOULD NOT BE BELIEVED. IF YOU DO, IT CANNOT BE CALLED COMPLETE FAITH. MADHUBAN IS THE ONLY PLACE FROM WHERE SHIV BABA'S MURLI IS DISTRIBUTED. ONE SHOULD BE VERY ALERT ABOUT ILLUSIONS. (MAYA).

A. Very correct. Baba comes only in MADHUBAN. She is very correct. Karachi was a MADHUBAN when Baba came there, Delhi was also a MADHUBAN, MADHUBAN was naturally a MADHUBAN and NOW, (RAIPUR) is also a MADHUBAN. Because wherever is MADHU, there is VAN (forest). In other words, where there is BABA, there HIS children are, and that place becomes a MADHUBAN. Have you seen a beehive? There is a queen bee in that. Wherever the queen bee flies, all other bees follow her. Then all the bees suck honey from flowers and gather the honey in the beehive. When people see the beehive, they bring down the beehive and take away all the honey. Then the queen bee flies somewhere else, taking all the other bees with her. Now, people have only the honey in the beehive. Whereas the queenbee has the art of making another beehive. BABA KNOWS THE ART OF CREATING A MADHUBAN WHEREVER HE GOES. SO, BETTER RECOGNIZE THE QUEEN BEE. WHEREVER THE QUEEN BEE GOES, BEEHIVE IS CREATED. Hence, where does BABA come NOW? ONLY IN MADHUBAN! Where else does HE come NOW? When the honey people have is finished, they will go searching for another beehive. Queen bee knows the art of collecting other bees from all over. Similarly, BABA KNOWS THE ART OF UNITING ALL HIS CHILDREN. (13.04.21)

Q. 79. IS "OM" A SOURCE OF INVITATION TO THE SUPREME SOUL?

A. NO. It is the source of receiving energy from the Supreme soul. It is the source of receiving all the powers from HIM. It is a source of interiorizing our sense organs. One may feel, when we chant "OM", we are creating sound. BUT ACTUALLY BY CHANTING OM, WE GO BEYOND THE SOUND. (13.4.21)

Q.80. IN SAKAR MURLI, IT IS MENTIONED THAT, JUST AS PEOPLE GOT DIVINE VISION OF BRAHMA BABA IN THE BEGINNING OF THE YAGNA, SAME WILL HAPPEN IN THE END TOO. THE SOULS WHICH LEFT THE BODY TO TAKE REBIRTH, LIKE MAMMA, DADA, DIDIS AND DADIS WILL COME TOGETHER; THE SOULS WHICH ARE RESPONSIBLE FOR ESTABLISHING DIFFERENT RELIGIONS WILL ALL COME TO SHIV BABA IN THE END. IS IT THAT PART OF THE DRAMA, PLAYING OUT NOW?

A. YES. That part is playing out now only; it will keep expanding. But don't waste your time searching for a particular DADI, DADA in anyone, or become a DADA yourself. Baba will bring together all founders and followers of all religions here, by the time children will keep searching for particular DADI or DADA. Bringing the ADI RATANS (The ones who belonged to the YAGNA in the beginning) here is BABA'S work. Don't bother your head in this. As for "DIVINE VISION", the end is approaching fast. Definitely every soul will be shown the part they play in the drama through DIVINE VISION. (13.04.21).

Q.81. BABA HAS SAID IN MURLI- "BECOME A YOGI, NOT A WARRIOR."

A. When one tries to meditate, first he becomes a warrior. First, he fights with illusions, and tries to control his sense organs. Baba says, only a yogi can be a true warrior. The one who is not a yogi, cannot be a good warrior also. Only that yogi who understands his strength, recognizes and controls his sense organs can win a battle. The one who doesn't recognize his strength and weaknesses, how can

He win a battle? He will ruin his kingdom within no time. So, first become a yogi, before you go for a battle. (13.4.21)

Q. 82. IS BABA MORE POWERFUL OR DRAMA?

A.1.If drama is superior, all scriptures would have said, "Stay in remembrance is DRAMA, your sins will be removed. Instead all scriptures say, " Stay in remembrance of ONE (the supreme soul), all your sins will be removed.

2. Drama is applicable to only THIS world, neither the subtle world, nor the Soul world. In the Soul world, souls remain in their purest form. (No sin remains). In the Subtle world, souls have to face the tribunal, for their actions.

3.RULE (NIYAM) is the word used in this world. In BABA's language, it is DRAMA.

4. Even when the highest authority of the world creates any rule, he also has to follow the rule. Similarly DRAMA (rule for this world was created by BABA. Hence, HE also is bound by it). BUT IF TIME DEMANDS, HE HAS THE POWER TO CHANGE THE DRAMA.

5. DRAMA CANNOT CHANGE BABA, WHERE AS BABA CAN CHANGE THE DRAMA. HENCE BABA IS SUPERIOR TO DRAMA. (6.5.21)

Q.83. HOW TO GET RID OF THE DISEASE OF THE BODY THROUGH YOG?

A-1.Don't keep repeating "I have this DISEASE". When you repeat the word DISEASE, it gets increased.

2. Tell Baba once, "BABA, I have surrendered my body and mind to you, the disease in the body is also yours. I need to do your service with this body". Connect with BABA with love and feel HIS energy.

2. In empty stomach, drink some water, take a deep breath and chant "Om". Pure oxygen will enter into your body and 50% of your problem will be solved. The other 50% will be solved when you move around. (6.5.21).

Q. 84. WHEN WE GO OUT FOR SERVICE, WE ARE FORCED TO EAT OUTSIDE. BUT WE ARE TOLD THAT WE SHOULD NOT EAT FOOD WHICH IS MADE BY OTHERS.

A. Yes, you need to eat, but make sure that you eat what suits your body. Chant 'Om' for few minutes, make the food powerful by giving 'drishti' and eat. If you can get it made without onion/ garlic, it is fine. If it is not possible, give 'drishti' and eat. BUT NEVER EVER HAVE NON VEGETARIAN FOOD. IT IS BETTER TO DIE THAN TO EAT SOMETHING WHICH IS MADE BY KILLING SOME LIVING BEING. Some children, even after meeting the Father, knowing fully well that it is wrong to eat such food, just out of laziness, bring food from outside and eat. SUCH CHILDREN WILL BE SEVERELY PUNISHED. THEY WILL HAVE A VERY PAINFUL DEATH. On the contrary, if one has complete faith and true love for the Father, the Father guarantees to take care of their needs. (6.5.21)

Q.85 DOES THE NATURE CATCH THE VIBRATIONS THAT WE SEND, WHEN WE SERVE THROUGH OUR MINDS?

A. DEFINITELY. Nature catches both your positive and negative vibrations. If you give loving vibrations to a plant every day, it will grow fast and blossom, because it feels your love. Plant is a part of nature and you are soul. SOUL IMPACTS THE NATURE.
(16.5.20)

Q.86 WHY IS "CHANTING OM REGULARLY" NECESSARY IN OUR LIFE?

A. Start chanting Om, it is your loss if you don't, and you will benefit a lot if you do. Whenever you sow a seed, you put in a lot of effort on it to take care of it, and after a time period, you reap the fruit of it. Whereas, when you chant "Om", you get instant benefit, and it takes care of your future also, in the golden age. In near future, you are going to face challenges from nature, circumstances and the world. Chanting Om will help you in all these situations. As it is said, "One medicine removes all ailments". It helps you to maintain good physical health as well as good mental health. It gives

you the strength to face the challenges. You are getting such a powerful medicine, free of cost. People are habituated to spend a lot of money on medicines, so they may not value what is available free of cost. BUT THE MOST POWERFUL DOCTOR IN THE WORLD (God) GUARANTEES YOU THAT CHANTING OM WILL KEEP YOU AWAY FROM ALL KINDS OF SUFFERINGS.

87. IMPORTANCE OF OM.

1. When you chant "OM", all the powers in you, get activated.
 2. When you chant "OM", your whole house resonates to the sound of "OM".
 3. People nearby, get drawn to the sound of "OM".
 4. The place where the sound of Om reverberates, becomes a Lighthouse in the night, souls from far, can see the Lighthouse.
 5. The sound of "Om" calms your sense organs, your mind and intellect.
 6. Chanting Om helps you to draw the energy directly from God.
 7. The sound of Om is so powerful, if you sit in burial site and chant "OM", the tramp souls present there, will get released and start their journey ahead.
 8. "OM" has the capacity to remove any bad impact however old it maybe.
 9. "OM" has the power to remove any physical illness.
 10. The whole universe was create from "OM".
 11. Even when God comes, He says "OM".
- (04.06.2020)

Q88. BABA CORONA VIRUS IS SHAKING UP THE WHOLE WORLD.

A. Yes, I can see from up, the whole world is shaken up. It cannot reach there. Children, if you get scarred, come up, BABA will take care of you. Situation is going to get worse within a month. If you have faith, BABA IS WITH TOU. Stay carefree. Remember the specialities that you have, not your weaknesses. Just one confident thought of yours is enough to throw away all your weaknesses.

(15.3.20)

Q89. DWARIKA BELONGS TO SHRI KRISHNA. BUT IT IS SAID THAT THERE WILL BE EIGHT KRISHNAS IN THE GOLDEN AGE. DOES THAT MEAN THAT THE WHOLE SYSTEM IS THERE UNDER THE SEA?

A. Yes full system is under the sea, not just 8, all belongings of Krishna in 21 lives are there below the sea. The aeroplane is also below the sea. (When, everything is available, readymade, then from Science, what do we carry to the golden age?) Ok, Aeroplane is readily available but who will start it? (It will function through our thoughts) Definitely not. Once you sit in it, if you look here and there will it run? Unless you fix the key at the right place, how can it run? The knowledge about how to start, fly, land and Park -everything is fixed in the soul. Without a key, No Lock can be opened. (2.8.20)

Q90. IF YOU HAVE RECOGNISED THE FATHER, IT MEANS THAT YOU HAVE UNDERSTOOD THE WHOLE DRAMA.

A You children are the ones who know all the secrets of the drama. Drama is wonderful. The father reveals the secrets slowly, according to the time. Even in the world drama, scenes in the beginning, the middle and end of the drama are different from each other. The scenes which are necessary to be shown in the beginning are shown there. Similarly, the scenes in the middle are shown according to the necessity. As the drama reaches the end, the scenes get over. In the world drama, you have seen the beginning and the middle, now you are witnessing the end. Towards the end, there is a war, without war there is no peace. First, there will be a war followed by outcry, and then will be the shouting of Joy. Joy after the outcry. Now, you have understood the full drama. IF YOU HAVE RECOGNISED THE FATHER, IT MEANS, YOU HAVE UNDERSTOOD THE DRAMA FULLY. (24.12.19)

Q.91 IN MURALI BABA SAYS THAT BABA DOESNOT LOOK THE WAY HE HAS BEEN PRESENTED TO THE WORLD IN PICTURES.

A. Baba is talking about SHIVLING here. He has no body. He is a point of light. Can he be so big? Soul is very subtle. He neither has a form of a male, nor a female. In the devotional path, Somnath Temple was shown in the divine vision; but the Shivling was not shown in the divine vision. Someone got a divine vision of a shining diamond. Shivling was made to fix the Diamond on it. Since they neither had a divine vision of a female or a male, they made a big form of Shivling, established it and placed a Kohinoor diamond on it. But the Diamond got vanished and only the

SHIVLING remains. t They have given the name Shivling . Utter rubbish, foolishness. Meaning, they wrote whatever came to their mind. Our Shivbaba is a Shining Star, a diamond.

(10.4.20)

Q92. BABA, WHATEVER MONEY THE BRAHMIN CHILDREN HAVE ACCUMULATED, WILL THAT ALSO GET DROWNED?

A. YES. Whether they hide it in their home or in the bank, it will all be lost. Because the time ahead is going to be such, they will not get anything, using their money. Then, they would think, had I stayed in MADHUBAN, it would have been better. The ones who live there do not believe that GOD has come. They are confined to the system; they have more faith in themselves than in BABA. Which is why BABA has come out, saying, "YOU MANNAGE YOURSELF". BABA DOES NOT STAY UNDER CONTROL. IF AT ALL YOU CAN TIE HIM DOWN, IT CAN BE ONLY THROUGH LOVE. HE IS LIKE MERCURY, THE MORE YOU EXERT PRESSURE ON MERCURY, IT WILL SLIP AWAY.

(15.3.20).

Q93. BABA WHY DON'T YOU TAKE US WITH YOU TO THE SUBTLE WORLD?

A. If your remembrance is powerful, I can take you within a second. But once you reach there, you won't like to come back here. (But mamma covers it up so easily) Mamma's remembrance is very powerful. She reaches there within a second. You children sleep the whole night, whereas she does Astral travelling the whole night. (Then, when we sleep why you don't take us with you?) What what if you get stuck there only? When I was in physical form, children used to do it. They used to roam in the subtle world and forget about their physical body here, in this world. Hence we had to cremate them. Many girls left their body like this. They are all taking physical body again and coming here now. They had no fear of losing their body. (Did Chandramani Dadi leave like this?) Yes, once she went there, she didn't want to come down. Those days, there was no telephone. Nowadays children are so busy the whole night with the phone, they sleep in the morning.

(4.3.21)

Q94. THE PEOPLE WHO HAVE JOINED OTHER PARTIES SAY THAT THE KNOWLEDGE GIVEN IN BRAHMA KUMARIS IS BASIC KNOWLEDGE AND THEY CLAIM TO HAVE THE ADVANCED KNOWLEDGE.

A. The advanced knowledge is with the Father .Whoever says that the advanced knowledge is with them is a fool, because they cannot have the advanced knowledge. Knowledge never advanced. Knowledge is an ocean.
(4.3.21)

Q95. SUPPOSE OUR CENTER SISTER SEE THIS BADGE, SHOULD WE CONVINCE HER? YOU TOLD US THAT WE CAN EXPLAIN TWICE, BUT NOT MORE THAN THAT.

A. Yes. After that, stay silent. There is a lot of power in silence. Stay carefree. Om is a seed and base for the whole creation. If anyone gets affected seeing this badge, that person cannot be a child of Baba. Om is acceptable to all religions. If you think that they may feel bad to see you wearing this badge, it means that Om has also gone through partition. We are the beads of the same garland, we are connected to each other, and then what kind of partition is this? In future EVERYONE will be wearing this badge.
(8.1.21)

Q96. WHAT SHOULD BE OUR EFFORT AT PRESENT?

A. Whatever Baba has told you. Read Murali with complete attention, not once but three times a day. Read carefully, not as a compulsion, read it with love. Read with the feeling, Baba loves me so much, do I also love him as much as He loves me? This is a letter from Baba to me, all the teachings in this Murali are for me. My Baba has sent me this letter from Paramdham.
(15.4.20)

Q97. GOD'S FINAL ROLE IN THE CYCLE IS TO GIVE DRISHTI (VISION) TO HIS CHILDREN.

Slogan of every religion is, GOD IS ONE AND HE IS FORMLESS. I read it only once and it got registered in my heart. Whether everyone comes to

meet the father or not, his vision falls on each and every child. The father said in Madhuban, that the last scene of the drama is "Drishti". (Showering divine light on every child). It did not happen. If it does not happen at all, then the father will be proved to be a liar. The father never tells lies. God is truth and He never takes the support of a lie. Till he fulfills everything he has promised, he cannot go back to PARAMDHAM. It is not necessary that the father will have to play his final role only in Madhuban. When a devotee sits in a temple and remembers Him, won't the father go there? are they not God's children? Won't the father meet the Sages who are doing penance, sitting in the caves of snow?

They say that the father is limited to only one place. It is not written anywhere in the scriptures, nor is it mentioned in any Murli. They say, "the father cannot come anywhere else other than Madhuban". Father says He came in Kolkata, He started coming in me when I was in Karachi, and He came in Delhi too. He can count any number of places; the father came for individual child too. He came in smallest of places also. When I used to go to different place, the father came in me everywhere I went. If they say that the father can come only in Madhuban, I would say, NO ONE CAN BE MORE FOOLISH THAN THEM. They say with pride, that God plays his role only in one place. The whole creation belongs to God, He is the one who maintains it. For the sake of His love for the children, He leaves PARAMDHAM and comes to this troubled world, to help the children. If He could leave PARAMDHAM, can't he leave Karachi, Kolkata or Madhuban? If he has to come to only those places where large number of children are there, what will happen to those children who are sitting in different corners, crying for God's help? Where will they go? Won't the father meet them?

Those children tell the father, "we are tired of searching for you; our feet are hurting, you to love us why don't you come to us? Then the father says, "Make arrangements, the father will reach there". The whole universe belongs to the father, one can bind the father with love, whereas if you say, "YOU CANNOT GO ANYWHERE, YOU NEED TO SIT HERE ONLY". Then the father is like air, however much you may try to trap him in your fist, He knows how to escape. SO, FORGET THAT THE FATHER WILL COME TO ONLY ONE PLACE. Okay.

Q98. BABA SO LONG WE HAVE BEEN WEARING A BADGE WHERE "OM SHANTI" WAS INSCRIBED IN IT. WE HAVE STARTED WEARING THIS BADGE NOW, WHAT SHOULD WE SAY, IF ANYONE

ASKS ABOUT THE CHANGE OF BADGE?

A. Tell them that you found OM now. Both the badges are Baba's only. You can wear whichever badge you want to wear. Don't think that Baba is doing something different here. Nothing is different. If children think that Baba is different here, it will not affect Baba, but the children will get affected.

Q99. THERE ARE 8 KINGS IN GOLDEN AGE, WILL THE SAME KINGS BECOME KINGS IN SILVER AGE ALSO?

A. Everyone gets the position number wise; it is not necessary that top 8 in the golden age will become the top eight in silver age. Everything depends upon your spiritual efforts. If you have progressed well in your spiritual efforts, you may be made a king in the Silver age also. It is not fixed, so don't worry about that. Become Narayan that will make the father happy.

(2.8.20)

Q100. CAN THE SAME PERSON BECOME NARAYAN AND RAM BOTH? WE READ THAT HALF THE CYCLE IS DAY AND THE OTHER HALF OF THE CYCLE IS NIGHT. ARE THE SHOOTING OF BOTH CARRIED OUT IN CONFLUENCE AGE?

A. Why not? It is possible. Yes, all the shootings take place now only. The father gives full chance to every soul to prepare for the shooting. If you go back in your memory lane, you can understand what ever have been shot. Shooting never takes place in Golden or silver age, it takes place only in the Confluence age.
