

24/10/12

Morning Murli Om Shanti BapDada

Madhuban

Essence: Sweet children, make effort to remove from the quicksand human beings who have forgotten the Father and become trapped in that. Churn the ocean of knowledge and give everyone the Father's true introduction.

Question: Which religion does the Gita scripture belong to? What significant things are to be understood from this?

Answer: The Gita scripture is the scripture of the Brahmin deity religion. It is said: Salutations to the Brahmins who become deities. You wouldn't call it just the scripture of the deity religion because deities don't have this knowledge. Brahmins listen to the knowledge of the Gita and become deities and it is therefore the scripture of both the Brahmins and the deities. It is not said to be a scripture of the Hindu religion. These things have to be understood very clearly. Incorporeal Shiv Baba, Himself, and not Shri Krishna, is giving you the knowledge of the Gita.

Song: Neither will He be separated from us nor will our hearts experience sorrow.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Love, remembrance and *good night* to the sweetest, beloved, long-lost and now-found spiritual children.

Essence for dharna:

1. Churn the ocean of knowledge and remove human beings from the quicksand. Awaken those who are sleeping in the sleep of Kumbhakarna.
2. Remove your intellect's yoga from subtle and corporeal bodily beings and remember the one incorporeal Father. Connect the intellect's yoga of everyone to the one Father.

Blessing: May you be a *master* bestower and fill everyone with infinite treasures by being generous hearted.

You children of the Bestower are *master* bestowers. To take something from someone and then give is not real giving. If you take something and then give, that is *business*. Children of the Bestower are generous hearted and continue to give. The treasures are infinite, so give everyone whatever they want and continue to make them full. If someone wants happiness, love or peace, continue to give that. This is an open account, not something of karmic accounts. Everything is open in the court of the Bestower, therefore, give everyone as much as they want. Do not be miserly in this.

Slogan: Make the attitude of your mind so *powerful* that even anything or anyone bad becomes good.

* * * O M S H A N T I * * *

Night class 23/03/68

The Highest on High is the one God, who is the *Father*. Whose *Father*? The Father of all souls. He is the *Father* of all the souls in all the human beings. All the souls who come to play their *parts* definitely take rebirth. Some take very few. Some take 84 births, some take 80 births and some take 60 births; all are human beings, bodily beings. Even though Lakshmi and Narayan ruled the world, at that time, there was no other *dynasty* in the *new world*. None of the bodily beings can grant anyone salvation. First of all is the *sweet silence home*. That is the home of all souls. Even the Father stays there. That is called the *incorporeal world*. The Father is the Highest on High and the place He resides in is also the highest on high. The Father says: I am the Highest on High. I definitely have to come. Everyone calls out to Me. All human beings definitely have to take rebirth. Only the one Father doesn't take rebirth. Everyone

definitely has to take rebirth. Any founder of a religion is said to be an incarnation. They speak of the Buddha incarnation. The Father is also called the Incarnation. He too has to come. Now, all souls are present here. None of them can return home. It is because souls take rebirth that there is expansion. While taking rebirth, at this time all are tamopradhan. Only the Father comes and gives *knowledge*. The Father alone is *knowledge-full*; He has the *knowledge* of the beginning, middle and end. He alone is called the *knowledge-full* and *blissful* One, the *peaceful* One, *ever pure*. Human beings, however, become pure and impure. Lakshmi and Narayan are the *first* ones of that *dynasty*. They have to take the full 84 births. They take rebirth here. Then, at the end, the Father comes and purifies everyone and takes them back. The Father alone is called the *Liberator*. At this time, the founders of religions are present here. There are a few souls remaining who continue to come down. Expansion continues to take place. The Bestower of Salvation for all is just the one Father. He is making us into the masters of the land of peace and the land of happiness. You take the full 84 births. Those of you who came first will return first. Christ will come at his own time. Christ does not have the power to take anyone back. Only the one Father has the power to take everyone back. At this time, it is the kingdom of Ravan, the devilish kingdom. In 84 births, the vices have now entered everyone completely. The Father says: You were the masters of the deity world and you then became vicious in the kingdom of Ravan. Everyone definitely has to take rebirth. It is not possible for them to establish a religion and then return home. They definitely also have to sustain it. It is remembered: Establishment of the new world takes place through Brahma. There is also the destruction of the old world. In the new world, there was just the one religion and one *deity dynasty*. That does not exist now; there are just its images, and all other religions are present. Apart from the one *God*, the *Father*, all bodily beings definitely take rebirth. Bharat is the imperishable land; it is never destroyed. It is imperishable. There were no other lands when it was their kingdom. It was just their kingdom. There was just the sun dynasty and the moon dynasty; no one else. The new world is called heaven, the *deity world*. The *incorporeal world* cannot be called heaven. That is our *sweet silence home*, the land of nirvana. No one, except the Supreme Father, the Supreme Soul, can give knowledge to souls. A soul is a very tiny dot. The Father of all souls is the *Supreme Soul*. He is called the *Supreme Father*. He cannot ever take rebirth. It is now the end of the play. This whole world is a *stage* on which the play is being performed. The *duration* of it is 5000 years. This is the most auspicious confluence age when the Father comes and makes everyone the most elevated of all. Souls are all imperishable. This *drama* is also imperishable. It is the predestined play. Those who have been and gone will come again at exactly the same time. They were the ones to come first. Lakshmi and Narayan do not exist now. This is the true company of the Truth. Achcha.
